*I'm not showing you the full name~

By the way, Sis Ling, Class 5-2 was usually considered a strong candidate in many events but did not do well today

The events were their traditional advantages, but they were eliminated. what do you think about it?

*T/N: In this series most names, like Ming Hua, Jun Ying etc. are just generic names like Jones or Jack.

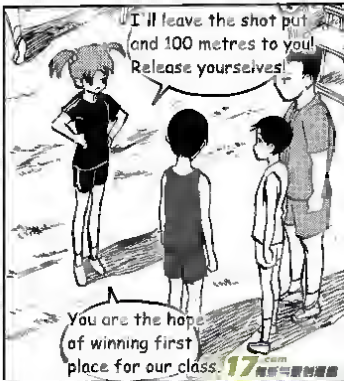
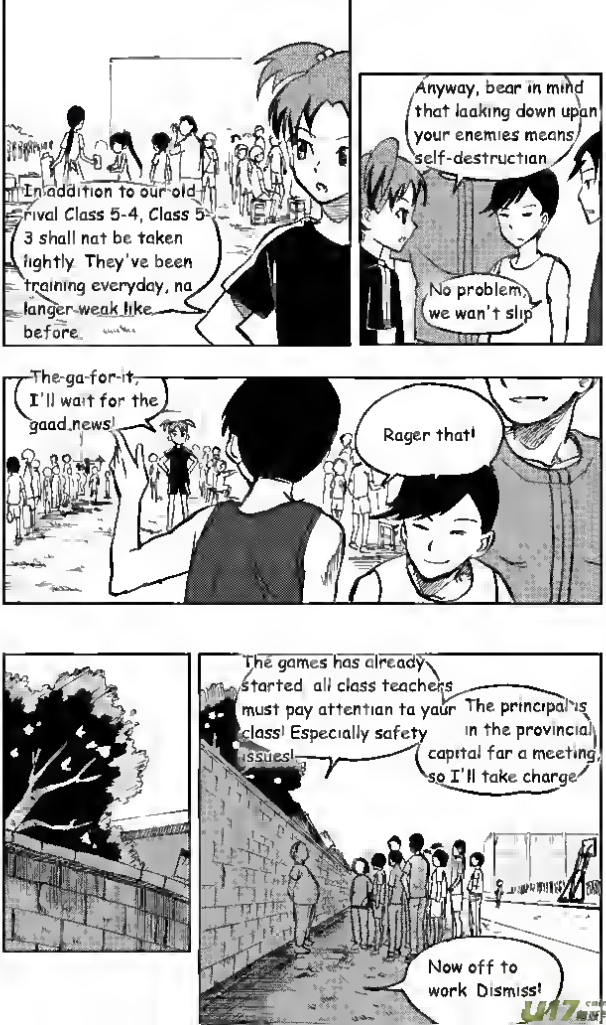
T/N: In the future there be another guy named 'Lei' so I added a diacritic Not he is French or something





In addition to our old rival Class 5-4, Class 5-3 shall nat be taken lightly. They've been training everyday, na langer weak like before.
Anyway, bear in mind that laaking down upan your enemies means self-destructian.
No problem, we wan't slip.
The-ga-for-it, I'll wait for the gaad news!
Rager that!
The games has already started. all class teachers must pay attentian ta yaur class! Especially safety issues!
The principal is in the provincial capital far a meeting, so I'll take charge.

ZNF
How's the sentiments of the students in your class going recently?
Eh... fine
It was really shocking to see a bucket of shredded paper with the parents' signs!
So... sorry
I was mad right away! Then the principal calmed me down, saying not to further provoke the students
Just excute the reallocation as planned when ready
You know, the kids never know that the adults are all for their good. Troublesome... isn't it, Ms Wei Lan?
Ah...
Probably

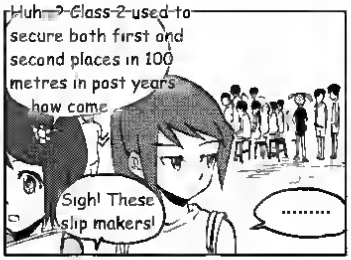
can be learnt easily.
Ming went so far as to entre the finals as the third of his group!?

I didn't expect you to be worse than Ming on sprint, No 3
Not me! It's because my group is too slow!
Bad luck to be in a non-challeng-ing group!

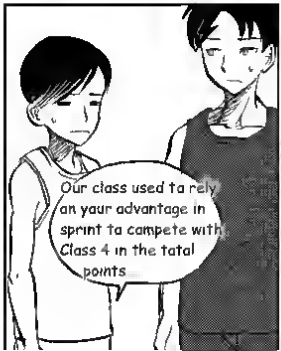
That's strange, you have Feng from Class 2 in your group, he was the champion last year!

No more words, I know him! I wanted to run after him, but he's as slow as a tortoise today, it really pissed me off!

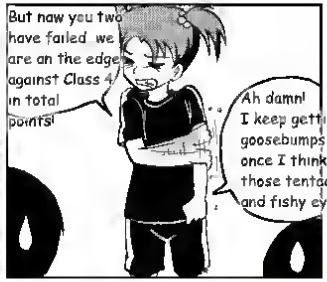


Huh? Class 2 used to secure both first and second places in 100 metres in past years, how come
Sigh! These slip makers!
.....

I don't understand, why both of you are in bad condition today? One tripped over a stone and the other having a running stomach



Our class used to rely on your advantage in sprint to compete with Class 4 in the total points



But now you two have failed, we are on the edge against Class 4 in total points!
Ah damn! I keep getting goosebumps once I think of those tentacles and fishy eyes!

U17.com

Never mind! We still have Niu the king of shot put! Wait for his good news! We still have a chance!
Ah yes
Naw annaunce the ranking af males' shat put. Year 6...

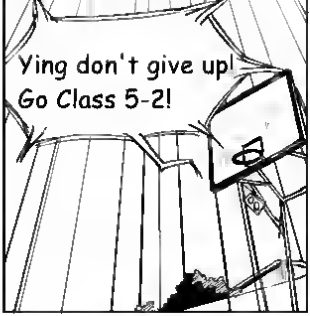
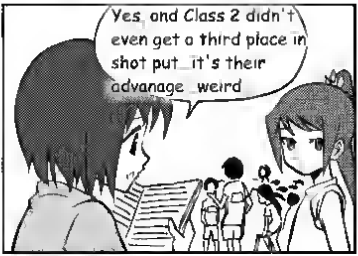
U17.com



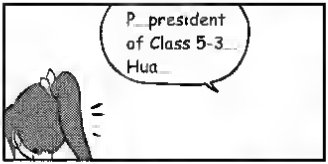
Ying don't give up!
Go Class 5-2!

Ahaha
If I'm not

What's that?
Sounds like
The voice of the council president?



Yes, and Class 2 didn't even get a third place in shot put, it's their advanage, weird



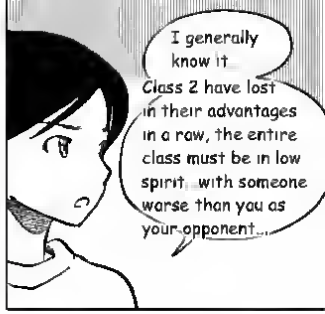
P, president of Class 5-3, Hua

? ?
Eh? You are

Hello
I'm here to discuss with you

Ah! The paper fortune teller bean bag twin tail girl!
What a long name
Eh?But why the prez of Class 2 is here and
with that shy and bashful face?
.....
Enough, quiet you two
In what regard are you here prez of Class 2?
Eh
I
I
wonder
If you could
be aur class's appanent again...

huh?



I generally know it
Class 2 have lost in their advantages in a raw, the entire class must be in low spirit, with someone worse than you as your opponent...

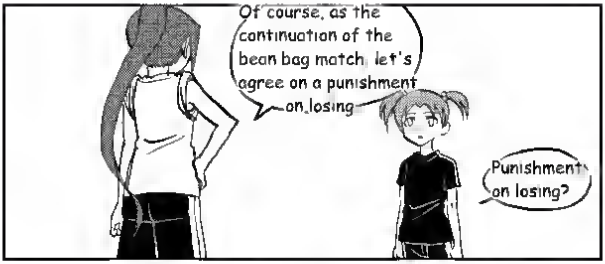
You want to inspire your class's spirit by the shame of 'being cought up by the lagging behind' right?
Ah, no

actually, a little bit of that. I won't insist if you don't like it...

Wait! We accept your challenge.

Take it as the continuation of the bean bag match lost time.

U17.com



Of course, as the continuation of the bean bag match, let's agree on a punishment on losing
Punishment on losing?

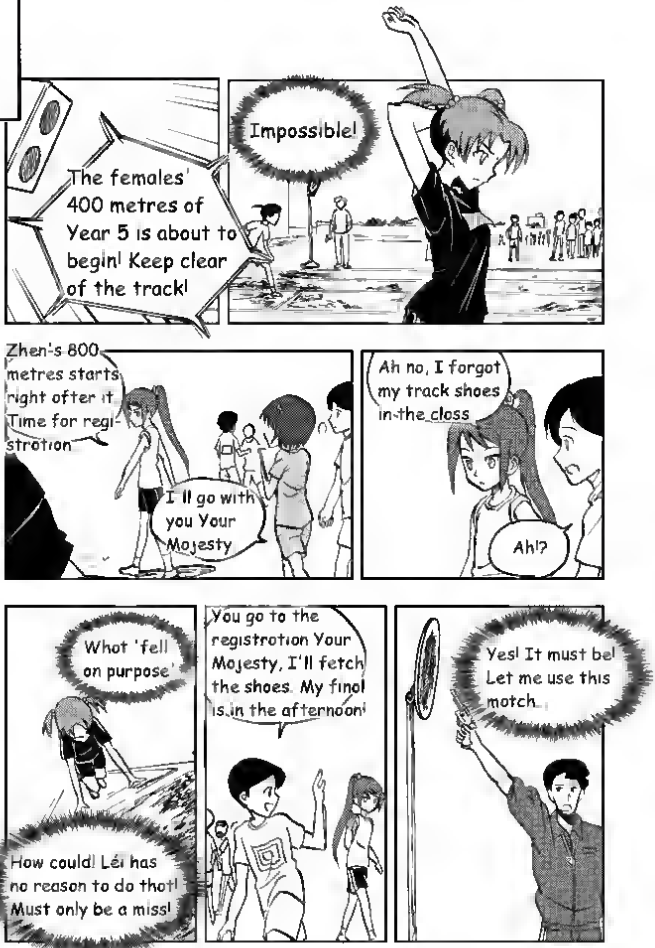
Humph!
Of course it's a throw in the bottoms! In public!
I'll use a shot put ball this time!

Sorry, just ignore that. But Zhen has a proposal.
Ah?

Using bean bags is a good idea.
……

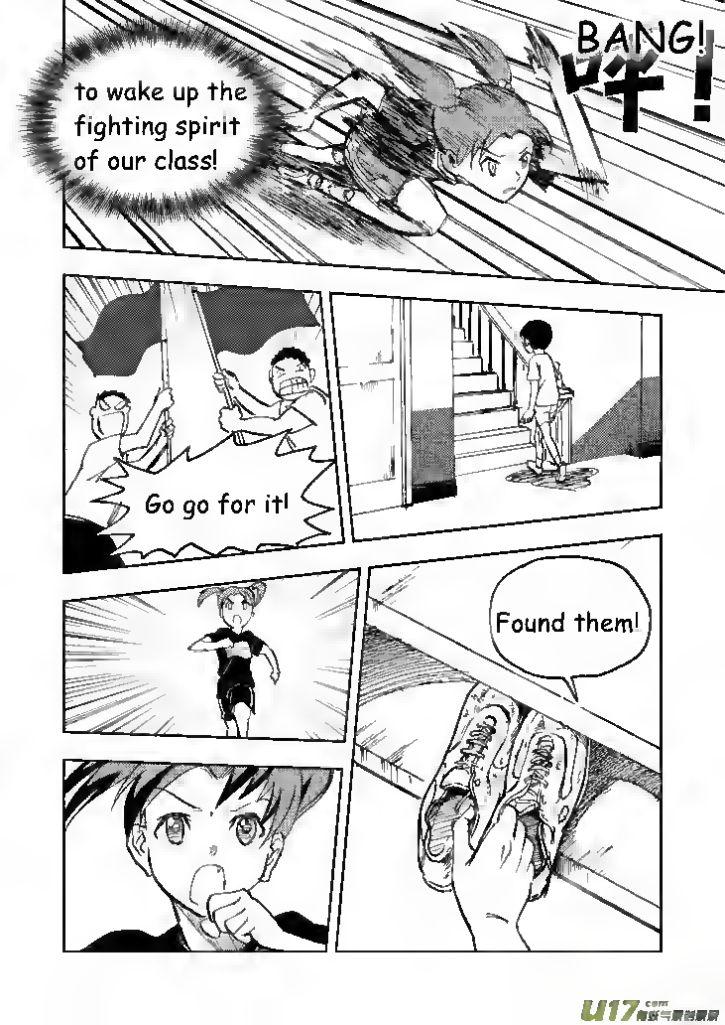
U17.com

Thank yau then! I'll ga back and mobilise them!
Hi, twin tail girl. If I'm not mistaken the guy who just fell was from your class right?
Um? Yes...
Honestly, I wouldn't believe it would happen to primary school students... But that fall...
is certainly on purpase. It can't be wrang...



The females' 400 metres of Year 5 is about to begin! Keep clear of the track!
Impossible!
Zhen's 800 metres starts right after it. Time for registration
I'll go with you Your Majesty
Ah no, I forgot my track shoes in the class
Ah!?
What 'fell on purpose'
How could! Lei has no reason to do that! Must only be a miss!
You go to the registration Your Majesty, I'll fetch the shoes. My final is in the afternoon!
Yes! It must be! Let me use this match

U17.com



BANG!

to wake up the fighting spirit of our class!
Go go for it!
Found them!

Tape breasted!
First place:
Class 5-2, Ying!

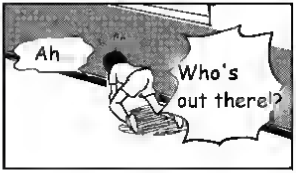
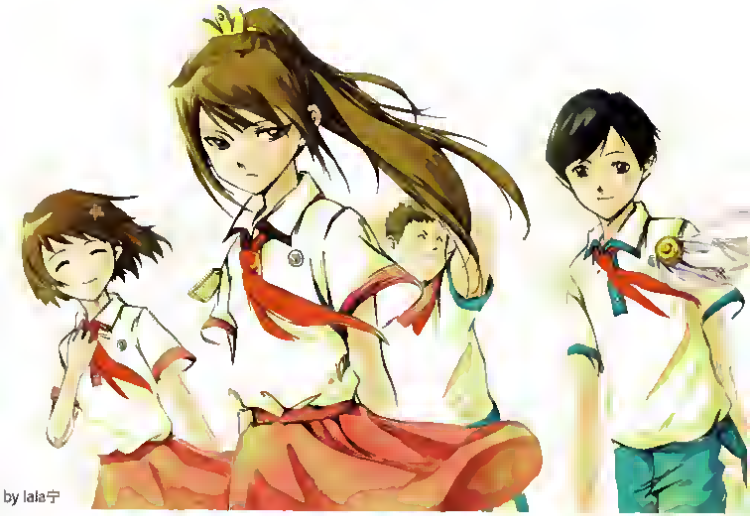
Class 5-4
We can't do it in the following matches!
! ?
It feels so bad! We quit!
Hey..
Where are Feng and Léi?



To be continued



So how do you feel about the games? It's just the start.

Some notes about general translation:
I used males'/female's instead of men's/ women's, although the latter is the usual one if I remembered correctly. I just feel calling primary school students men/ women is too strange.

Remember to read from left to right.
